

5959 YONGE STREET CONDOS

The latest condominium from Ghods Builders Inc. offers a truly luxurious lifestyle

Ghods Builders Inc and their newest condominium project, 5959 Yonge Street Condos has been the highlight of the year several times so far.

The reason being is Ghods Builders Inc has truly raised the bar above and beyond any expectations by providing not only incredible amenities, but also offers a truly luxurious lifestyle. 5959 Yonge Street Condos consists of 2 stunning towers,

Tower A – 43 storeys and Tower B – 31 storeys.

Only a few minute walk away from Finch Subway Station, 5959 Yonge Street Condos modernizes and enlivens the community, while embracing the existing neighbourhood. The ultimate goal of Ghods Builders is to offer the residents the luxurious hotel experience, as well as a home that simply supplies it all without ever having to leave the comfort of their own home.

Ghods Builders Inc has absolutely taken the condo lifestyle up a notch by providing you with 40,000 square feet of indoor pool oasis and contemporary Tuscan, an outdoor pool, barbecue patio and lounge, fitness centre, theatre, party room, sports bar and lounge, pet spa and a media centre, along with your standard luxury condominium features. Ghods Builders provides the 5959 Yonge Street Condos residents with everything they could ask for including a full sized bowling alley to a 34th floor view of the city, while sipping on a beverage of your choice.

A mind-blowing feature that is especially unique in the condominium market is the Multi-Use Glass Sports Court, which has been adopted by the European market. The LED glass sports court allows the player to play over a dozen of different sports at the same place.

Another reason why 5959 Yonge Street Condos differs on the market is their ability to incorporate modern and luxurious lifestyle with sophistication and elegance. A key feature that must be

emphasized is the high-end grocery store where all of the products can be purchased through a smart phone, computer or other electronic devices. This is the first luxurious grocery store in Canada, which provides in-house delivery service of the online ordered products, as well as a florist and a dry-cleaning service.

For the nature lovers, the residents of 5959 Yonge Street Condos can enjoy the two storey-sky chai atrium garden filled with soothing and relaxing ambiance with a fireplace, live green eco-wall and indoor water features. There is also a zen-garden with an infinity water feature, zen river, fire-pit lounge and outdoor cabanas.

The residents of 5959 Yonge Street Condos will also have the luxury of enjoying yoga and pilates studio, dry/wet sauna, rain room and many other fantastic features.

While perfecting the designs and layouts of 5959 Yonge Street Condos, Ghods Builders along with Kirkor Architects, made sure to include nothing but the best suite features. For instance, a safety deposit box, stainless steel appliances, window coverings, sleek solid wood entry door, laminate flooring and smooth ceilings are only a glimpse of what Ghods Builders has in store for its future residents.

A number of up-scale finishes and amenities are standard with the suites, along with high quality laminate wood cabinetry, which with upgrades can transition into high-gloss front cabinetry. Accompanying the high quality cabinetry are the luxurious quartz kitchen countertops, six-piece European-style Stainless Steel appliances, a stackable washer and dryer with exterior venting, and roller blind window covering all throughout the units.

The condominium's state-of-the-art unit's prices start at only \$288,900! **CL**
